\* The 'Padel Belgium Ranking' takes into account the last 4 BPT tournaments and the last Belgian Championship.

A weighted average of the best 3 tournament results is used based on the number of played tournaments:

- 3, 4 or 5 tournaments or more: average of the best 3 tournaments
- 2 tournaments: 80% of the average of the best 2 tournaments
- 1 tournament: 70% of the ranking points

Additional bonus points are added on top of the average points on the Padel Belgium Ranking for those players who play in the FIP Tour:

- 1 FIP point = 8 BPT points.
- E.g. player X has 123 FIP points.
- This means that player X will receive 984 (123 \* 8) bonus points on top of his/her Padel Belgium ranking average.

Attention: the calculation of the FIP points is only done for those players who register for the BPT + the top 10 on the Padel Belgium ranking. A complete update will be done before the Belgian Championship.
