-------	------	-----------	---------------------------------------	----------------------------------	---------------------------------	------------------------------------	------------------------------	----------------------------	---

* The **Padel Belgium Ranking** takes into account the last 4 BPT tournaments and the most recent Belgian Championship. The ranking is determined by the sum of the points from a player's best 3 results out of these 5 events. The ranking will be updated after each Padel Belgium tournament and before the draw of each Padel Belgium tournament (all registered players will receive a Padel Belgium ranking).

Additional bonus points are added on top of these points for players who play in the FIP Tour:

- 1 FIP point = 20 BPT points.
- E.g. player X has 123 FIP points.
- This means that player X will receive 2460 (123 * 20) bonus points on top of the points that he/she receives for his/her best 3 results in the last 4 BPT tournaments and the most recent Belgian Championship.

Ranking points will only be given to a team when they have played at least one match during that tournament. If a team forfeits after having played at least one match, during the qualification or main draw, the players do not receive ranking points. When a team gives a walk-over (legitimized/excusé) after having played at least one match, ranking points are given. Walk-over matches are thus counted as a "Win" for the final ranking.
